OUR APPOINTMENT POLICY

You may make an appointment either by calling us on 01225 482 484, emailing the Practice at bath@pds-health.co.uk or by visiting the Practice during the opening hours and arranging the time and date with the receptionist.

Here at Manor Dental Practice, we want to offer as many appointments as possible to those who really need them.

Please help us to give the best service possible by giving us 24 hours notice if you need to cancel your appointment.

Failure to attend an appointment or late notice of cancellation may result in a charge.

OUR EMERGENCY APPOINTMENTS

We always try to see emergency patients on the same day and usually within 24 hours. This service is provided within our ordinary opening hours, 5 days a week, throughout the year excluding Public Holidays.

In order to find out when our emergency slots are that day, and what is the approximate waiting time, please phone us on 01225 482 484 as early as possible in the day.

The priority during an emergency appointment is immediate pain relief. Further treatment may be necessary at a later appointment and will be charged accordingly.

OUT OF HOURS SERVICE

If you are a private patient or if you are one of our plan patients then you are entitled to use our Emergency Out of Hours Service, further details of which are available in a separate leaflet.

OUR RECALLS OR CHECK-UP POLICY

Your dentist will recommend a date for your next visit and discuss this with you. You may find out that your next check-up is as short as 3 months or as long as 2 years. It all depends on how healthy your teeth and gums are and your risk of future problems .

Recalls or check-ups do not stop you from attending the Practice in case of emergency requirements or indeed if you wish to see us in respect of an aesthetic treatment. If you have problems with your teeth between check-ups, contact the reception for an appointment.

OUR DENTAL FEES

A written estimate/treatment plan will be provided following your initial consultation and before your treatment but be aware that this may change as time progresses.

PRICE LIST

Our private fees are set out in a separate leaflet and also displayed on our notice board. We also provide credit facilities for private treatment if required, subject to status.

It is important to us that you understand your treatment and charges, if you are unsure of anything at any time, please ask your dentist or nurse or at reception for more information.
